COVID-19 CORONAVIRUS

2020 PEACE HEALTH PROTOCOLS

Rev. Dr. Michael T. Bell
Senior Serving Shepherd

Dear Peace Family and Friends;

I am confident in your commitment to our Savior and this assembly. We have said for years—"we will emphasize integrity in this ministry to which we have been privileged to share. We are people who will go through life's changes TOGETHER!" Please be encouraged as we will be stronger in the bonds of love. This community of believers will do all that we can even as we wait upon the God of our faith to do what only God does. God is a very present help—even now!

Philippians 4:6-7 Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus.

Safety and health of PBC are our major concerns and we will

- stay abreast of conditions!
- partner with National and Local legislations!
- follow the CDC guidelines to reduce exposure
- **clean and disinfect frequently touched objects and surfaces**
- keep you informed through all communication vehicles; i.e. Facebook, Website, telephonically, etc.
- invoke the 'Foot or Arm bump' greeting; No shaking of hands or hugs!

Current Operations

On 3/13/2020, Mayor M. Bowser banned mass gatherings of groups should not exceed 250 persons, therefore;

Effective 3/15/2020, PBC will worship online until further notice. Join us at 10:00 am at PBC712.org. Also, please join our PBC FB group; we'll have some "super" things to do as a community. Please continue to worship in online giving, also at PBC712.org.

If you feel sick or know you've been exposed, have flu-like symptoms, high fever or underlying conditions please join us online at PBC712.org Also, see a doctor.

All other services will be virtual or cancelled. For support please call the office at the contact numbers or email address above.

Please Protect Yourself

- Wash hands with soap and water for at least 20 seconds multiple times a day.
- Or use an alcohol-based hand sanitizer (at least 60% alcohol)
- Avoid touching eyes, nose and mouth with unwashed hand
- Avoid close contact with people who are sick
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash

Updated information on the virus can be found at
[Coronavirus.dc.gov](https://www.coronavirus.dc.gov).

Updates for PBC can be found at PBC712.org
